Fudo, Takashi	Jiji Press	4/11/2011	-	requesting a search of all records in the possession of the U.S. Air Force related to the State of Hawaii. State Hillary Clinton's comments made at the President's Export Council meeting in 2011 about the Japan relief mission. Please search for records specifically related to the delivery of coolant. In her comments, Secretary Clinton said, "We just had a problem in Japan transport some really important coolant to one of the nuclear plants. They are very reliant on nuclear power, and they have very high engineering standards, and the plants came under a lot of stress with the earthquake and didn't have enough coolant. Force planes were able to deliver that. And so we're really deeply involved in trying to get as we can on behalf of the Japanese and on behalf of U.S. citizens." 1) For purpose of this request, the term record means: any written, printed, or typed material of any kind, without limitation all correspondence, cable, memorandum, notes, messages, letters, telegrams, e-mail, facsimiles, papers. 2) For purpose of this request, the record is defined as communication between US Air
