Harasim, Patrycja	-	6/21/2011	-	I am studying at Polish National Academy of Defense. Well, I have finished studies to write my thesis. I am a big fan of USAF and I wanted to write something about aircrafts in US Special Forces, but my promoter turned it into "Air Force Special Operations Command" and requested 75 pages with three chapters. First one about AFSOC's about its structure and organisation, and the third, biggest one I presume, about (mostly aircraft and their usage). I have tons of books about aircraft, but you provide information about specified versions of aircraft used by AFSOC wings (even the type it would be great. Also, if they're not classified, some info about some old mission aircraft would be also very helpful.
