	Mears, Dwight	US Military Academy at West Point	5/6/2010	5/14/2010	request for the policy workup and recommendation packet 1992 approval of POW Medals for USAAF aircrew held in R (see approval, attached). These actions went through OGC Secretary of the AF, so there should be a record of the rev recommendation in the archival holdings. Realize that the probably need to be redacted to conform to Privacy Act re is fine. Just interested in the policy explanations in the rec packets, since this is pertinent to a similar effort making th Secretary of the USAF. Also working with the Armed Servi amend the law behind this medal. This has current relevan award policy in Iraq/Afghanistan, and also pertains to effo approximately 200 AF veterans as POWs. The packet woul processed between 1991-92 at HQ USAF. Would it be poss these archival holdings for the recommendation packet an determination? Sincerely, CPT (P) Mears

	Page, Joseph	-	7/12/2010	8/6/2010	Requesting releasable information and/or images about his publications, specificaly heritage pamphlets and locally-cre publications directed by AFI 84-101.
	Dillinger, Eric	-	7/13/2010	8/4/2010	I will soon attempt to lobby the government to repair the they can be held in reserve like the B-52Hs at Davis-Montl seeking information for personal use and not for a comme of that I would like to get information about repair the STA would like to obtain: 1) Any report that was made regardi 52Gs, or 2) Information about the B-52G's airframe and lo Also, is it possible to get an estimate of the fees before yo search?
	Parsch, Andreas	-	7/13/2010	8/3/2010	a summary of all aerospace vehicle MDS designations allo August 2009. [NOTE: This request is identical to several e the same kind, except for the later time frame of the requ records.] 1. Why do I want the records? ========== ========= I would like to obtain said records for priva commercial research purposes. DOD's official public MDS I 4120.15-L) has not been updated between October 1998 a release in May 2004. During this time I maintained a web http://www.designation-systems .net/usmilav/412015-L(a with all new MDS designations assigned after October 199 next update of DOD 4120.15-L will probably again be seve future, I want to continue keeping my own listing up to da MDS allocation summary since 1 August 2009 is requested the documents ========== ======= release authority for all current MDS nomenclature records USAF, Pentagon. This request should therefore be handled Detailed requirements ==========

	Webster, Douglas	-	8/19/2010	8/30/2010	I was assigned to the 374th Tactical Airlift Wing, PACAF, fr at Clark Air Base, Philippines. That C-130 Wing operated a program which was known as "E-Flight." This was a small crew members from the 21st Tactical Airlift Squadron that missions out of Clark Air Base, Philippines. The operation w 13th Air Force Headquarters at Clark. The C-130s were pa than camouflage and flew without markings. The E-Flight m changed considerably over the years based on what is ava said the organization supported operations in Tibet, Laos, some point prior to my joining the organization in 1984. I what is publicly releasable regarding E-Flight operations in 1984 to 1987 when I was a member. Thanks very much.
