Please search for records specifically related to the matter of the delivery of coolant. In her comments, Secretary Clinton said, "We just had our Air Force assets in Japan transport some really important coolant to one of the nuclear plants. You know Japan is very reliant on nuclear power, and they have very high engineering standards, but one of their plants came under a lot of stress with the earthquake and didn't have enough coolant, and so Air Force planes were able to deliver that. And so we're really deeply involved in trying to do as much as we can on behalf of the Japanese and on behalf of U.S. citizens." 1) For purposes of this request, the term record means: any written, printed, or typed material of any kind, including without limitation all correspondence, cable, memorandum, notes, messages, letters, cards, telegrams, e-mail, facsimiles, papers. 2) For purpose of this request, the record containing the communication between US Air

2011-03771-F	Baker, Sandra	University of Maryland, CNA	4/13/2011	4/25/2011	Is there an available website/report that contains the number of deployed U.S. troops by area (e.g., Iraq, Afghanistan), if they have been re-deployed, and how many of them have children, how many children of what ages, whether mother, father or both have been deployed etc?. I am a Phd student and looking for the most up to date stats on deployed military members and their families. The information I am requesting is for an internal report (summary paper) I am preparing for a think tank I work part-time at called CNA. We may want to present the information at a conference that CNA is planning on the topic of military children. Down the line, we may want to submit the report for publication in a scientific journal on child development, however, we will never publish the information in popular press newspapers or magazines. Please let me know if you have further questions. The DOD main office referred me here. Any and all of your help would be appreciated.
