2017-02422-F	Trevithick, Joseph	War Is Boring (News)	4/13/2017	4/12/2018	Hi, My name is Joseph Trevithick and I am making the following request as an "media" requester. I am a freelance journalist and researcher working for multiple outlets, with a proven track record of publishing (for example: http://www.thedrive.com/the-war-zone/8224/heres-what-really-happened-when-u-s-marines-brought-f-35bs-to-red-flag) or supporting publication (see: https://medium.com/defiant/wondering-what-u-s-spy-agencies-think-of-donald-trump-105cfb8bbf7d#.t2dtnixy3). On April 13, 2017, US Forces - Afghanistan announced forces under its operational control had dropped a GBU-43/A Massive Ordnance Air Blast (MOAB) bomb in Afghanistan. Subsequent media reports indicated an Air Force Special Operations Command (AFSOC) MC-130 aircraft conducted this mission. I am looking to obtain a copy of any weapon system video (WSV) or other full-motion video (FMV) of this strike. U.S. Air Force commands routinely release strike videos with appropriate redactions, so it is reasonable to assume that this video can be released, at least partially, if it exists. If an exemption does apply, I ask that AFSOC please consider exercising its discretionary release powers to disclose the records. Additionally, please release all reasonably segregable portions of the records that do not meet an exemption. I am also willing to accept and would prefer any release be in an electronic format if possible. Thanks in advance, Joseph Trevithick
2017-03547-F	Kopplin, Zachary	Government Accountability Project	7/12/2017	4/18/2018	Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I am requesting any and all documents, including, but not limited to, notes, e-mails, memos, or any other materials concerning pledges, oaths, requests or agreements, oral or written, not to disclose information or documents, or pledges, oaths, requests or agreements, oral or written, having to do with loyalty, allegiance, or similar concepts, made to the President, the Vice President, the Office of the President or the Office of the Vice President, or any individual working in the White House or the White House Compound by any and all members of the AFSOC's leadership team according to the AFSOC's website, along with the leadership team's senior staff, since Nov. 9, 2016.
2017-03879-F	Novak, Matthew	Gizmodo/Univision	9/7/2017	6/27/2018	I request the oral history paper assigned number 00885681 which can be found at this web address: http://airforcehistoryindex.org/data/000/885/681.xml

2017-03912-F	Trevithick, Joseph	War Is Boring (News)	8/10/2017	4/17/2018	Hi, My name is Joseph Trevithick and I am making the following request as an "media" requester. I am a freelance journalist and researcher working for multiple outlets, with a proven track record of publishing (for example: https://warisboring.com/the-pentagon-doesn-t-know-how-many-civilians-it-has-killed-in-iraq-and-syria-535f6f3032ce#.d66r5d55t) or supporting publication (see: https://medium.com/defiant/wondering-what-u-s-spy-agencies-think-of-donald-trump-105cfb8bbf7d#.t2dtnixy3). I am looking to obtain a copy of aircraft records cards (aka Aerospace Vehicle Inventory History/Post Report) or any similar documents specifying ownership and unit assignment for six CN-235 aircraft with the following serial numbers: - 96-6042 - 96-6043 - 96-6044 - 96-6045 - 96-6046 - 96-6049 In January 2015, I submitted an identical Freedom of Information Act request for these records relating to 96-6046 and 96-6049 only. In May 2015, Air Force Special Operations Command (AFSOC) informed me that they could neither confirm nor deny the existence of these records. However, in August 2017, AFSOC's public affairs office did confirm its ownership of one of these aircraft, 96-6042, pursuant to a story I was working on (See: http://www.thedrive.com/the-war-zone/13154/this-mysterious-military-spy-plane-has-been-flying-circles-over-seattle-for-days). As AFSOC is the owner of this aircraft, there should be responsive records related to it that can be reviewed for release. If it is the owner of the other five aircraft, then there should be similar responsive records related to those aircraft that can be reviewed for release. If an exemption applies to the information in any of these documents, I ask that AFSOC please consider exercising its discretionary release powers to disclose the records. Additionally, please release all reasonably segregable portions of the records that do not meet an exemption. I am also willing to accept and would prefer any release be in an electronic format if possible. Thanks in advance, Joseph Trevithick

This investigation was conducted at the request of then 24SOW Commander Col (now BGen) Robert G. Armfield. I was interviewed by (b) (6) as was most members of the unit. I would like a full copy of the CDI to include the specific questions to be answered by the CDI and the findings of the investigation.
2018-01588-F	Trevithick, Joseph	War Is Boring (News)	3/19/2018	4/10/2018	Hi, My name is Joseph Trevithick and I am making the following request as an "media" requester. I am a freelance journalist and researcher working for multiple outlets, with a proven track record of publishing (for example: https://warisboring.com/the-pentagon-doesn-t-know-how-many-civilians-it-has-killed-in-iraq-and-syria-535f6f3032ce#.d66r5d55t) or supporting publication (see: https://medium.com/defiant/wondering-what-u-s-spy-agencies-think-of-donald-trump-105cfb8bbf7d#.t2dtnixy3). If there estimated fees exceed the stated dollar amount, please let me know before you proceed with this request. I am looking to obtain a copy of any final report Air Force Special Operations Command (AFSOC) produced regarding its investigation into the crash of an Iraqi Air Force Comp Air 7SL aircraft on May 30, 2005. Though this was not a US Air Force aircraft, it was carrying US Air Force personnel at the time of the mishap and the Iraqi Air Force requested assistance with the investigation, leading to an AFSOC commander-directed investigation (See: http://www.af.mil/News/Article-Display/Article/132777/accident-report-out-on-iraqi-comp-air-7sl/) While I am willing to accept only the releasable portions of the records, I ask that AFSOC consider exercising its discretionary release powers to disclose as much of the records as possible, including information marked with a sensitive, but unclassified notation such as "Unclassified/For Official Use Only" or U/FOUO. Additionally, please release all reasonably segregable portions of the records that do not meet an exemption. I am also willing and would prefer to receive any release in an electronic format. Thanks in advance, Joseph Trevithick

2018-02551-F	Trevithick, Joseph	War Is Boring (News)	5/21/2018	7/24/2018	<p>Hi, My name is Joseph Trevithick and I am making the following request as an "media" requester. I am a freelance journalist and researcher working for multiple outlets, with a proven track record of publishing (for example: http://www.thedrive.com/the-war-zone/17162/document-offers-new-details-about-those-ov-10-broncos-that-went-to-fight-isis) or supporting publication (see: https://medium.com/defiant/wondering-what-u-s-spy-agencies-think-of-donald-trump-105cfb8bbf7d#.t2dtnixy3). I am looking to obtain copies of any General Orders (GOs) or Special Orders (SOs) related to the activation and/or inactivation of a unit known as Expeditionary Special Operations Wing-Bravo. I am also looking to obtain copies of any such orders regarding changes in this unit's structure, composition, station, etc. According to the official biography (see: http://www.af.mil/About-Us/Biographies/Display/Article/558245/lieutenant-general-scott-a-howell/) of Lieutenant General Scott A. Howell, who was recently nominated to be commander of Joint Special Operations Command, says he was commander of this unit between June 2008 and June 2010. It also says this unit was subordinate to Air Force Special Operations Command. While I am willing to accept only the releasable portions of the document, I ask that AFSOC consider exercising its discretionary release powers to disclose as much of the records as possible, including information marked with a sensitive, but unclassified notation such as "Unclassified/For Official Use Only" or U/FOUO. Additionally, please release all reasonably segregable portions of the records that do not meet an exemption. I am also willing and would prefer to receive any release in an electronic format. 2018-02617-F	Losey, Stephen	Air Force Times	5/23/2018	6/5/2018	<p>Pursuant to the Freedom of Information Act, I request all FOIA case logs for the AFSOC FOIA office, including all FOIA requests and all Mandatory Declassification Review requests. (Date Range for Record Search: From 01/01/2016 To 05/23/2018)</p>

2018-03254-F	Turse, Nick	The Nation Magazine	7/12/2018	-	<p>Pursuant to the federal Freedom of Information Act, 5 U.S.C. Â§ 552, I request AFSOC Command History 2017. I request you search all electronic and paper-based records systems and databases for these materials and provide any/all of these records in electronic format if possible. I also request a cross-reference search. I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in American Immigration Lawyers Association v. EOIR, 830 F.3d 667 (D.C. Cir. 2016) which found that FOIA "does not provide for . . . redacting non-exempt information within responsive records." As declared by the court, "once an agency identifies a record it deems responsive to a FOIA request, the statute compels disclosure of the responsive record—i.e., as a unit—except insofar as the agency may redact information falling within a statutory exemption." Also, under "FOIA Improvement Act of 2016" "each agency, in accordance with published rules, shall make available for public inspection in an electronic format ... copies of all records, regardless of form or format that have been requested 3 or more times." This clause is within (a)(2), which has no provision whatsoever for fees. The statute explicitly says "requested", not "provided." If my request is rejected, I will file two additional requests so that it will meet the requirements of the statute. As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Please ignore the "willing amount" and notify me by email prior to your incurring any expenses in excess of \$.01. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees. As I am making this request as a member of the news media and this information is of timely value, I would appreciate your communicating with me by email, rather than by mail, if you have questions regarding this request. Please do not close this request, for any reason, unless I explicitly request it in writing. I look forward to your reply within 20 business days, as the statute requires, and request, per 5 USC § 552(a)(7)(B)(ii), that you provide me with an estimated date of completion at the same time and every 20 days thereafter. Thank you for your assistance.</p>
