<a href="#">2016-02734-F</a>	Sauter, Mark	-	10/13/2017	-	I request all records from the USAF, including the Air Force Intelligence, Surveillance and Reconnaissance Agency < Caution- <a href="http://www.25af.af.mil/library/foia.asp">http://www.25af.af.mil/library/foia.asp</a> > , involving intelligence, espionage, terrorist, special operations, information operations, abductions and infiltration against US targets (inc. US nuclear weapons/facilities; AMCITS; US military bases/facilities/companies in Korea/Japan and elsewhere; and the United States itself) by North Korea, aka the Democratic People's Republic of Korea. This includes records involving the following North Korean organizations: The Ministry of State Security (MSS) aka State Security Department; The United Front Department (UFD) aka Unification Development Division; the Reconnaissance General Bureau (RGB) aka General Reconnaissance Bureau and its subordinate units, including the Ministry of People's Armed Forces' Reconnaissance Bureau, KWFs Operations Bureau, Office No. 35 Bureau, First Bureau, Central Committee Political School, or 695th Army Unit, Kim Chong-il Political and Military Academy (or Central Committee Political and Military Academy); and Reconnaissance and Sniper Battalions and Brigades; the Unification Front Department; the External Liaison Department; and the 225th Bureau. The Reconnaissance General Bureau is under U.S. government sanctions, including EO13687 (2015), and I request your search include the terms under which it is specifically designated by the U.S. Dept. of Treasury: "RECONNAISSANCE GENERAL BUREAU (a.k.a. CHONGCH'AL CH'ONGGUK; a.k.a. KPA UNIT 586; a.k.a. "RGB"), Hyongjesan-Guyok, Pyongyang, Korea, North; Nungrado, Pyongyang, Korea, North [DPRK], -to- RECONNAISSANCE GENERAL BUREAU (a.k.a. CHONGCH'AL CH'ONGGUK; a.k.a. KPA UNIT 586; a.k.a. "RGB"), Hyongjesan-Guyok, Pyongyang, Korea, North; Nungrado, Pyongyang, Korea, North [[DPRK] [DPRK2]]." This request also covers records relating to General Kim Yong Chol, a commander of the RGB who has been personally designated by the U.S. government. This request does NOT include active investigatory files involving the Sony hack, but does include background information (including organization overviews and/or threat assessments/biographies) on the organizations/individuals above. This request also includes files on deceased North Korea RGB official Kim Kyok Sik, whose death in May 2015 has been widely reported (please see obituary below). I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, is not in any commercial interest, and due to the fact that I am eligible for "news media" status. I am making this request as the: producer of the widely noted news site DMZ War; co-author of McGraw-Hill's leading college textbook on homeland security (Homeland Security: A Complete Guide), and source on stories for major media outlets. This request is "likely to contribute significantly" to the public understanding of government operations such as U.S. law enforcement activities. For your information, I have been granted "news media" and/or public interest exemptions in the past by numerous FOIA offices, including the DoD, DoS and FBI.

<a href="#">2017-04464-F</a>	Hollis, Michael	-	10/11/2017	8/21/2018	Contracting Question: DoD Contracting said to contact the Air Force directly on this matter. I need to know whether or not Park University (HQ: Parkville, MO) is an official contractor with the US Air Force. They have physical campuses located on base at Camp Mabry, TX (AFNG), Charleston AFB, Davis-Monthan AFB, Fairchild AFB, Goodfellow AFB, Grand Forks AFB, Hanscom AFB, Hill AFB, Holloman AFB, Lackland AFB, Little Rock AFB, Luke AFB, Malmstrom AFB, Minot AFB, Mountain Home AFB, Randolph AFB, Scott AFB, Tinker AFB, Whiteman AFB, Wright Patterson AFB among other locations. I need to know if their contracts with the US Air Force (if they exist) indicate that they must pay the \$10.10 per hour contracting minimum wage or other minimum wage. I also need to verify that their contract (if it exists) indicates that they are not allowed to force employees to work without pay. If no such contract exist, please let me know the nature of their relationship with the Air Force that allows them to operate on bases. The reason for this request is that a complaint has been filed with the US Dept of Labor alleging that faculty with Park have been asked to work without pay for extended periods of time while others are forced to work for below the national minimum wage.

<a href="#">2017-04560-F</a>	Rosch, Elise	-	10/17/2017	10/30/2017	The OFFICE OF SPECIAL INVESTIGATIONS at Kadena Air Force Base conducted a formal investigation at Amelia Earhart Intermediate School (Department of Defense Dependent School-principal (b)(6)) in May to July 2017. Our OSI point of contact was Agent (b)(6). Agent (b)(6) was also on the case. The incident involved our daughter, (b)(6) who was a 9 year old third grade student at the time. The case involved peer on peer sexual abuse in a group of 6 third grade students. We are (b)(6) parents and are requesting the report so we know what happened to our daughter and can get her the proper psychiatric and medical care. She is experiencing symptoms similar to PTSD and we want to know the extent to which the sexual abuse occurred so we can get her help. OSI told us we could request a copy of the report through the Freedom of Information Act through the Air Force. We are willing to accept clearly releasable records and do not want to know the other parties' names-we just want to know what happened to our daughter so we can get her medical intervention. <a href="#">2018-00068-F</a>	Herlik, Edward	-	10/5/2017	12/8/2017	Commander endorsement. The AFBCMR denied my 2007 appeal of adverse actions taken by Air Force Space Command staff officers and then subsequently stated that our commander effectively endorsed the required AMT 1058 by not documenting his objections to those adverse actions. In other words, the AFBCMR claimed that a commander legally endorses staff actions, without documentation, through his/her inaction. <a href="#">2018-00183-F</a>	Felton, Lena	The Atlantic	10/16/2017	10/20/2017	I request access to and copies of records of flight logs, sorties, and/or fuel consumption rates for the Air Force 811th Wing's 1st Helicopter Squadron for both 2016 and 2017 (to the latest available record). We are interested in finding out if this administration, including the Secretary of Defense and Joint Chiefs of Staff, use the 1st Helicopter Squadron less, the same, or more than the administration under Barack Obama. We are looking for any records of flights taken, specifically by administration officials, that would help us answer this question. This is also why we need access to both 2016 and 2017 records, so we can directly compare the two administrations. Following the news that broke a couple of weeks ago that Secretary of Health and Human Services Tom Price ( <a href="http://www.politico.com/story/2017/09/21/tom-price-private-charter-plane-flights-242989">http://www.politico.com/story/2017/09/21/tom-price-private-charter-plane-flights-242989</a> ), Secretary of the Interior Ryan Zinke ( <a href="http://www.politico.com/story/2017/09/28/ryan-zinke-charter-military-planes-interior-243280">http://www.politico.com/story/2017/09/28/ryan-zinke-charter-military-planes-interior-243280</a> ) and Treasury Secretary Steven Mnuchin ( <a href="https://www.nytimes.com/2017/10/05/us/politics/mnuchin-military-flights.html">https://www.nytimes.com/2017/10/05/us/politics/mnuchin-military-flights.html</a> ) have spent hefty amounts of money in their use of government jets, we at The Atlantic believe it is our duty to look further into how the administration uses government transportation.

<a href="#">2018-00278-F</a>	Anderson, Jack		10/24/2017	1/10/2018	The former Chanute Air Force Base located in Rantoul, IL closed in 1993 and the United States Air Force has and continues to be engaged in the environmental restoration of the former base. The former Chanute Air Force Base Restoration Advisory Board (RAB) had been formed and established to advise decision makers on community concerns regarding environmental cleanup. At the May 18, 2017 RAB meeting a local resident and RAB Board member, Mr. (b)(6) spoke to the 1974 disposal of Chanute AFB construction refuse having been disposed of in providing fill to develop the base of what is called "Rotary Hill" at Brookhill Park, a part of the Rantoul Park District, just north of Rantoul. Mr. (b)(6) point was that the refuse came from demolished buildings on Chanute and the Air Force then transported the debris for disposal of it at Brookhill Park. The debris were used to create a large base for the construction of a Rotary Hill for children to use for snow sledding. The debris from Chanute has the potential to contain hazardous materials consistent with construction materials used prior to the creation of the EPA. And that these possibly hazardous materials were covered over without containment barriers. In response to Mr. (b)(6)'s inquiry, the RAB facilitator Mr. (b)(6) GS-12, DAF, Program Manager, BRAC Execution Branch, Air Force Civil Engineer Center, Office: 806/885-5010, Cell (b)(6) (b)(6) email (b)(6)@us.af.mil, AFCEC/CIBE, 9801 Reese Boulevard North, Ste 300, Lubbock, TX 79416-2107 said the Air Force had written a letter to the Illinois EPA (within the last year), explaining that based upon what is known, Rotary Hill was constructed with fill materials from various sources including from Chanute. However, it would not be possible to distinguish with any certainty the origin of the fill material. I have twice sent Mr. (b)(6) emails (June and Sept 2017) requesting a copy of the letter sent to the Illinois EPA he was referencing but I have not received any response. I would like to request any and all communications, in the form of a letter or other electronic communication, prepared by the Air Force and forwarded to the Illinois EPA referenced during the above exchange concerning Rotary Hill. In order to help to determine my status for purposes of determining the applicability of any fees, you should know that I am making this request for personal research use and not for commercial use, and as such the information will not be used in part or whole for sale, resale, or solicitation or advertisement for sales or services.
