2021-00092-F	Trevithick, Joseph	The War Zone	10/13/2020	Hi, My name is Joseph Trevithick and I am making the following request as a "media" requester and I am willing to pay fees up to \$25. I am a journalist and researcher with a proven track record of publishing (for example: https://www.thedrive.com/the-war-zone/33371/here-are-the-detailed-ufo-incident-reports-from-navy-pilots-flying-off-the-east-coast) or supporting publication (see: https://www.thedrive.com/the-war-zone/15902/document-confirms-b-21-to-be-delivered-optionally-manned-and-nuclear-capable). If there estimated fees exceed the stated dollar amount, please let me know before you proceed with this request. I am looking to obtain copies of the following documents cited "Air Combat Command and the Predator," an official publication of the Air Combat Command History Office, dated December 2007: - A message dated 27 May 2004 from US European Command/J3 to the Joint Staff/J3 described as "support of Uganda (U)." - A message dated 9 June 2004 from US European Command/J3 to the Joint Staff/J3 titled "EUCOM ISR RFF ISO Uganda Operations (U)." - A document described as a Joint Staff (JS) Form 136, dated 14 June 2004 and also titled "Modification 6 to Global Airborne ISR DEPOD (U)," sent from the Joint Staff/J3 to the Office of the Chairman of the Joint Chiefs of Staff. - A message dated 6 July 2004 from the Office of the Chairmand of the Joint Chiefs of Staff to an Air Force office identified as AF/XOI titled "Request For Forces (RFF) Denial (U)." All of these documents appear in the footnotes on page 141 of "Air Combat Command and the Predator." If an exemption applies to the information in any of these documents, I ask that Air Combat Command please consider exercising its discretionary release powers to disclose the records. If there are no complete lines marked unclassified, I still request a line-by-line review to determine any reasonably segregable portions of the record that are not subject to an exemption. That the document's overall classification might be above unclassified and that certain sections are marked above unclassified does not mean there is no releasable information or that it is not reasonably segregable from classified or otherwise exempt information. I am also willing to accept and would prefer any release be in an electronic format if possible. Thanks in advance, Joseph Trevithick Thanks in advance, Joseph Trevithick (Date Range for Record Search: From 01/01/2004 To 12/31/2004)

2021-00259-F	Turse, Nick	The Nation Magazine	10/28/2020	Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request any unclassified or declassified ISR footage in the possession of AFSOC. The time frame of this request is January 1, 2017 to the date that this request is perfected. I specifically request that you include so-called "non-responsive" material per the Court of Appeals for the District of Columbia Circuit in American Immigration Lawyers Association v. EOIR, 830 F.3d 667 (D.C. Cir. 2016) which found that FOIA "does not provide for . . . redacting non-exempt information within responsive records." As declared by the court, "once an agency identifies a record it deems responsive to a FOIA request, the statute compels disclosure of the responsive record—i.e., as a unit—except insofar as the agency may redact information falling within a statutory exemption." As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Please notify me by email prior to your incurring any expenses in excess of \$.01. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees. As I am making this request as a member of the news media and this information is of timely value, I would appreciate your communicating with me by email, rather than by mail, if you have questions regarding this request. Please do not close this request, for any reason, unless I explicitly request it in writing. I look forward to your reply within 20 business days, as the statute requires. Thank you for your assistance. Regards, Nick (Date Range for Record Search: From 01/01/2017 To 10/28/2020)

2021-00487-F	Brown, Ann	Center for Biological Diversity	11/18/2020	The Center requests the following records from the Kirtland Air Force Base ("Kirtland AFB"): 1. All information, maps, communiques, policies or procedures about flights under Kirtland AFB's command of the recognition and awareness of the avoidance zones on the map provided to the Center by Holloman Air Force Base ("Holloman AFB"), as they relate to Kirtland AFB's use of VR176, Reserve MOA, Morenci MOA, and the Fort Bliss Local Flying Area, throughout the Gila Region. See Attachment A (Avoidance Zones Map); 2. All information, maps, communiques, policies or procedures about specific direction given to Kirtland AFB by Holloman AFB or any other entity on the use restrictions of VR 176, Reserve MOA, Morenci MOA, outlined in the map included or in the Fort Bliss Local Flying Area. See id.; and 3. All information, maps, communiques, policies or procedures about your specific efforts to comply with Federal Aviation Administration ("FAA") recommendations to fly at least 2,000 feet above the surface of specially designated federal areas in the Gila Region under VR 176 and the Morenci and Reserve MOA's and the Fort Bliss Local Flying Area, as laid out in 7-6-4 section b. of the Aeronautical Information Manual below: "Pilots are requested to maintain a minimum altitude of 2,000 feet above the surface of the following: National Parks, Monuments, Seashores, Lakeshores, Recreation Areas and Scenic Riverways administrated by the National Park Service, National Wildlife Refuges, Big Game Refuges, Gam Ranges and Wildlife Ranges administrated by the U.S. Fish and Wildlife Service, and Wilderness and Primitive areas administered by the U.S. Forest Service." And in the guidelines outlined in the FAA Advisory Circular (AC 91), Visual Flight Rules (VFR) Flight Near Noise-Sensitive Areas regarding flights over charted National Park Service areas, U.S. Fish and Wildlife Service areas, or U.S. Forest Service areas: "All aircraft are requested to maintain a minimum altitude of 2,000 feet above the surface of lands and waters administered by the NPS, UFWFS, or USFS Wilderness areas. Since excessive aircraft noise can result in annoyance, inconvenience or interference with the uses and enjoyment of parks where a quiet setting is a generally recognized feature or attribute (including areas with wilderness characteristics), and can adversely affect wildlife in areas, all aircraft are requested to fly at altitudes higher than the minimum permitted by regulation. FAA receives complaints concerning low flying aircraft over noise sensitive areas and requests pilots to adhere to the voluntary practices set forth in the Advisory Circular." The Center is willing to receive records on a rolling basis.

2021-00662-F	Griffiths, William	-	12/2/2020	Sir/Ma'am, I am requesting information pertaining to an IG complaint. I received a response to my complaint from the SAF/IGS on 13 September 2018, which I have attached. In the response the SAF/IGS stated, "information we developed during our inquiry showed that the basis for the personnel actions taken against you were based on the senior officials' assessment of your performance and not a result of reprisal." I am requesting release of the documentation from the California Air National Guard regarding the above statement and anything else the California Air National Guard submitted to the SAF/IGS. My complaint was, that Colonel Jeffrey Magram and Colonel Steven Butow retaliated against me, due to inquiring with the 129th Rescue Wing JAG about a male commander sexually harassing one of his female enlisted members. I was asked by Colonel Butow and Colonel Magram why I didn't go to them first. They then directed me to report to Colonel Magram's office in which he proceeded to read me my Miranda Rights. Up to this point I was offered nothing but praise by my Mission Support Group Commander Colonel Jeffery Richard, Mission Support Group Deputy Commander Pete Sobrino, as well as Colonel Magram. In fact, I had received an email just a month or two prior to this reprisal from Colonel Magram, praising me for my leadership. Things have recently become known, and I require to know why the SAF/IGS stated my performance was the justification for being read my Miranda Rights, and my full-time job ended. The fact that this dealt with Sexual Harassment, is something I thought the Air Force took seriously, even if it was in the Guard. Any questions or concerns please let me know. V/R WILLIAM P. GRIFFITHS, Lt Col (Ret) (Date Range for Record Search: From 09/01/2014 To 12/02/2020)

2021-00753-F	Martinez-Guzman, Jusika	N/A	12/10/2020	On 05/20/2020, I submitted an FOIA regarding FRNO # 2019-12843. I requested the Official Investigation Notes, ROI, and findings. Request case number was 2020-02838-F. On 06/22/2020, I received an email from (b)(6) that asked (b)(6) CIV USAF AFOSI (USA)" - (b)(6) @us.af.mil->) to clarify which perjury statement this requester needs. I did not hear back from (b)(6) (b)(6) or (b)(6) until I asked for an update on 09/15/2020. The email was from an organization box, and they did not sign the email. It stated that they "just" received a letter back to them, not deliverable, and they would mail it back out to me. On October 13, 2020, I finally received that letter in the mail that stated that it was denied. On 10/13/2020, I emailed the organization box back, and they sent me the correct perjury statement. I got this complete on 10/28/2020 and appealed it via email on 10/28/2020. Since then, I have not heard back from anyone within the AFOSI FOIA office. So again, I am requesting Official Investigation Notes, ROI, and findings for FRNO # 2019-12843 for a date range for record search from 12/17/2018 to 06/01/2020). I am also requesting that updates be sent weekly via email to (b)(6) @gmail.com about the status of this FOIA request and for someone to contact me by phone at (b)(6) if there are any additional documents need or problems arise. (Date Range for Record Search: From 12/13/2019 To 06/01/2020)

2021-00791-F	Bustamante, Cesar	-	12/14/2020	(b)(6) I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct, and that I am the person named above (requester) and I understand that any falsification of this statement is punishable under the provisions of 18 U.S.C. section 1001 by a fine of not more than \$10,000.00 or by imprisonment of not more than five years or both, and that requesting or obtaining any record(s) under false pretenses is punishable under the provisions of 5 U.S.C. 552a(i)(3) by a fine of not more than \$5,000.00. I previously submitted a FOIA request 2020-04484-F. I am submitting a new request for ALL the records not agreeing to clearly releasable responsive records. I was given a redacted version of a legal review by 100 ARW/JA used in my administrative demotion dated 23 September 2020 and finalized 18 November 2020. After speaking with (b)(6) (100 ARW/JA) and (b)(6) (100 CS/SCXK) I was advised to resubmit my request for an unredacted version after the appeal process ended. I am also requesting an open request for any and all information to which I am entitled to under the Freedom of Information Act regarding my administrative demotion, my offer of non-judicial punishment, AFOSI investigation 512-C-128-J2-34788193470517, and any related documents, facts and circumstances, to include any and all e-mail traffic concerning myself that has not previously been made available to me. Lastly, I would like a copy of two translations made by 100 ARW/JA of a statement in Spanish made by my mother, (b)(6) in support of my demotion appeal. The first translation provided to 100 MSG/CC was incorrect and did not reflect my mother's original statement. I addressed this in my appeal, and I need to know if my mother's statement was re-translated correctly for the 100 MSG/CC and 100 ARW/CC to review and consider. If the release of any of this information is prohibited on the grounds of breach of confidence, I ask that you supply me with copies of said confidentiality agreements. The administrative process has ended and I would like to request unredacted versions of all aforementioned applicable documents that I am not privy to and concern myself, to be provided to me as an electronic copy. All information should be disclosed unless that disclosure would harm an interest protected by a FOIA exemption as cited in 5 U.S.C. §552 (b)(1) through (b)(9). Otherwise I request an official denial letter from the initial denial authority with the basis for the denial of information. Thank you for your time. 2021-00797-F	Lavigne, Jessica	354 FSS	12/14/2020	I am requesting then CCTV footage from the (b)(6) for December 10 from 800 to 930 and from 1145 to 300 in room #126. My child was sent home for dangerous behaviors that included climbing and running. When I arrived to pick up my own child, I witnessed 6 adults allowing another child to climb and walk across the top counter of the front desk without any member stepping forward to remove the child from the danger of being on top of the counter. I am concerned for my child's safety as well as how they are handling the behaviors since they are being told they cant touch the children to remove them from those dangers which is now causing the children to think the behavior is ok. My child was removed from the classroom to the front desk area around 310ish and I would like to see the video for that timeframe as well. I would also like the video for December 11 2020 from 800 to 915 when I was called that the behavior was intense again. I fear for my child's safety and want to see the footage of what is actually occurring. Child: (b)(6) Description: light brown hair and believed to be wearing her pink Minnie mouse sweatshirt hoodie (Date Range for Record Search: From 12/10/2020 To 12/11/2020)

2021-00925-F	Weinberger, Sharon	-	12/21/2020	To Whom It May Concern: Pursuant to the Freedom of Information Act, I hereby request the following records: I'm writing to request all records related to my prior FOIA request to the Air Force Research Laboratory related to investigation and research on biological effects of microwaves/radio-frequency under the names of HELLO, GOODBYE and GOODNIGHT. The original FOIA request reference number, from 2006, was 06-0059-HS. I'm requesting all correspondence and documents related to that request, including my original request, any government response, and any responsive documents, and also any internal government correspondence related to my original request. At the time of my original request, the response was that HELLO, GOODBYE and GOODNIGHT were classified. However, even if some work under these programs was classified, it would appear unlikely that every document and record related to them is classified in full, so I'm asking that segregable portions be released. I'm making this request as a member of the media. I'm the Washington Bureau Chief for Yahoo News. The requested documents will be made available to the general public, and this request is not being made for commercial purposes. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not. Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires. Sincerely, Sharon Weinberger (Date Range for Record Search: From 01/01/2006 To 12/21/2020)
