2021-02201-F	Trevithick, Joseph	The War Zone	4/6/2021	Hi, My name is Joseph Trevithick and I am making the following request as a "media" requester and I am willing to pay fees up to \$25. I am a journalist and researcher with a proven track record of publishing (for example: https://www.thedrive.com/the-war-zone/33371/here-are-the-detailed-ufo-incident-reports-from-navy-pilots-flying-off-the-east-coast) or supporting publication (see: https://www.thedrive.com/the-war-zone/15902/document-confirms-b-21-to-be-delivered-optionally-manned-and-nuclear-capable). If there estimated fees exceed the stated dollar amount, please let me know before you proceed with this request. On Apr. 6, 2021, Military.com reported that "Army Chief of Staff Gen. James McConville spoke with Air Force Chief of Staff Gen. Charles "CQ" Brown by phone April 2 to discuss [General Timothy] Ray's criticism of the [Army's hypersonic] missile effort." (See: https://www.military.com/daily-news/2021/04/06/service-chiefs-confer-after-air-force-general-calls-army-hypersonic-missile-plan-stupid.html) I am looking to obtain copies any Emails to or from General Brown, or any staff acting on his behalf, and Gen. McConville, or staff acting on his behalf, regarding General Ray's comments. If an exemption applies to the information in any of these documents, I ask that Headquarters Air Force please consider exercising its discretionary release powers to disclose the records. If there are no complete lines marked unclassified, I still request a line-by-line review to determine any reasonably segregable portions of the record that are not subject to an exemption. That the document's overall classification might be above unclassified and that certain sections are marked above unclassified does not mean there is no releasable information or that it is not reasonably segregable from classified or otherwise exempt information. I am also willing to accept and would prefer any release be in an electronic format if possible. Thanks in advance, Joseph Trevithick (Date Range for Record Search: From 03/01/2021 To 04/06/2021)

2021-02959-F	Perry, William	MARCH 24 MEDIA LLC	5/25/2021	Dear sir or madam: Aerospace Testing International assigned me to write a story about the effect of COVID-19 on wind tunnel availability. In February, I contacted AEDC at Arnold AFB, which runs a wind tunnel, to ask what they typically charge per hour for wind tunnel testing. I had already spoken to some commercial wind tunnels who gave me their approximate pricing. In the industry this is known as the dollars per user occupancy hour (UOH). I've emailed Jess Levens, Chief, Media Operations, AEDC/PA, but he hasn't been able to get the team to respond to the UOH question. Could AEDC Arnold AFB or another USAF office give me a general idea or approximation of what AEDC's typical dollars per UOH are? The commercial wind tunnels I've spoken with are quoting between \$12,000 and \$16,000 per UOH. (Date Range for Record Search: From 05/25/2020 To 05/25/2021)

2021-03089-F	Hood, Ryan	Hoodington PMC	6/7/2021	I'm looking for the HQ of the Air Force. You will send items to the surface under a person's name through a program at the HQ and sometimes they will have an office where their name is excluded and identity withdrawn so the only details are the rank and prestige ratings on a certain event. Write up a formal request, generate a set of orders and submit them to various drop boxes and send all my items to the surface. We had problems with people taking lugnuts last time. My maintenance contracts on the conveyor belts read: LUGNUTS TORQUE 2 words Put that together, send my items all the way to the surface with a repair order for any stops along the way. You've got to get to the HQ and back out from there, make an effort to get all the HQ aligned and notified I've got some additional identities since the last round, make a note of that and send them up. I've got the same money generators as the other commanders, I am not interested in the buyout Lord Fleet Admiral Ryan Dennis Hood (Date Range for Record Search: From 01/01/1901 To 06/10/2021)

2021-03151-F	(b)(6)	-	6/8/2021	I was abused, manipulated and a victim of theft by two Airmen from 2017-2021. I reported their conduct as well as drug use, OPSEC violations, knowledge of sexual assault at their parties, and covid restriction violations on November 2020. At this time I was left homeless 1500 miles away from home with all of my possessions stolen. They continued to make fun of my status as a 100% disabled combat veteran through February 2021 as I have been suicidal as a result of being victimized for years by these two airmen. I was interviewed and provided a phone screen as evidence to help prosecute these two Airmen. As retaliation, these two airmen filed and won civilian criminal charges against myself. In March 2021, I reported the misconduct of the two airmen to the base colonel and chief msgt. Since one of the airmen was security forces and the other on Air Force 2, I had high suspicion that the base leadership was trying to cover up the misconduct based on the two air men knowing exactly what was reported and on what dates. I launched a separate investigation into the chain of command of joint base Andrews as a result. The two airmen have bragged in the past of getting away with fraternization so that is another piece of evidence that reinforced my suspicion. I am requesting the results of my investigation and the commanders action taken against them as a victim in order to defend myself against false allegations made by the two airmen in civilian court. Also I am requesting all pertinent information of the investigation to defend myself against the claims made by the base commander. The base commander banned me from all surrounding military installations based on the false civilian charges. I am also requesting command action, findings and disposition. The two airmen I filed complaints against are (b)(6) and (b)(6) (Date Range for Record Search: From 11/01/2020 To 06/07/2021)

2021-03257-F	(b)(6)	-	6/15/2021	Clarification: I am requesting my communications between my appointed FAP counselor and I only. I was assigned a counselor due to being a victim in a domestic violence case by a military member. I am going to court on July 12th since I reported the charges. The last occurrence happened on May 26th and got appointed a FAP counselor shortly after that. I spoke to them a few times throughout the months. I believe that I last spoke to my counselor around December of 2020. I would do phone calls only since I am not located in Illinois. I believe my main counselors name was (b)(6) but I also spoke to a (b)(6) If that is not the information you need, please let me know what I'm missing. 2021-03365-F	Trevithick, Joseph	The War Zone	6/21/2021	Hi, Hi, my name is Joseph Trevithick and I am making the following request as a "media" requester and I am willing to pay fees up to \$25. I am a journalist and researcher with a proven track record of publishing (for example: https://www.thedrive.com/the-war-zone/33371/here-are-the-detailed-ufo-incident-reports-from-navy-pilots-flying-off-the-east-coast) or supporting publication (see: https://www.thedrive.com/the-war-zone/15902/document-confirms-b-21-to-be-delivered-optionally-manned-and-nuclear-capable). If there estimated fees exceed the stated dollar amount, please let me know before you proceed with this request. I am looking to obtain copies of any and all pictures and/or video of a flyover by one or more F-117 aircraft involved in one or more commemorative flyovers of one or more bases and/or other facilities overseen by elements of Air Force Materiel Command to mark the 40th anniversary of this aircraft's first flight on June 18, 1981. I am also looking to obtain copies of any and all pictures and/or videos of any related ceremonies to mark this occasion at any bases and/or other facilities overseen by elements of Air Force Materiel Command. If an exemption applies to the information in any of these documents, I ask that Air Force Materiel Command please consider exercising its discretionary release powers to disclose the records. If relevant records are found, but there are no complete lines marked unclassified, I still request a line-by-line review to determine any reasonably segregable portions of the record that are not subject to an exemption. The document's overall classification might be above unclassified and that certain sections are marked above unclassified does not mean there is no releasable information or that it is not reasonably segregable from classified or otherwise exempt information. I am also willing to accept and would prefer any release be in an electronic format if possible. Thanks in advance, Joseph Trevithick (Date Range for Record Search: From 06/01/2021 To 06/21/2021)

2021-03493-F	Elliott, Carlos	-	6/29/2021	My name is Carlos Espenosa Elliott. I was previously a military member and the seller air base between 1982 and 1987. I belong to the 35th CE Squadron as an E-4 Sgt. I need help in locating any legal documentation of a Stabbing incident occurred in Misawa City involving American military members. The incident occurred in 1985-1986. The victim was a Navy member that was TDY at Misawa Air Base . I witness this incident of the Military soldier getting into an argument with another military member that I knew at a club in town off-base . The two guys started to fight and I broke it up. I had to rough them up to get them separated. A few seconds after I got them separated, one of the guys pulled out a knife and stabbed the other guy in the stomach. I witnessed this happen and I left the scene before the police got there. At the time I just separated from my wife and I had shared an apartment with a friend. So I got home and told my roommate what had happened. He was also a police officer, Tech Sergeant (b)(6). (b)(6) went to work the next day and was talking with his fellow cops about the incident so they believed (b)(6) knew more than what he should've known. So that left them to believe it was me and they called me in at the same time they had (b)(6) under interrogation. I was cleared of any charges with this incident. I don't have anything in my Personnel Records concerning this incident. However, (b)(6) lost a stripe because he knew all the information and didn't complete his military duties. So the guy that got stabbed in the hospital did recover. The guy that stabbed him was arrested and charged with attempted murder. (Date Range for Record Search: From 1/1/1985 To 12/31/1986)

2021-03508-F	Clark, Daniel	USAF	6/29/2021	I am requesting disclosure/copies of the Legal Review conducted for one SFOI investigation, and two CDI's (conducted by the now defunct 737 TRG Inquiry Office, and the 320 TRS/DO) that I am named in. I was wrongfully accused of misconduct as an MTI on 29 Aug 2016, and had my name cleared on 5 May 2017 as a result of Art 138 action, namely the second CDI which was initiated late in January of 2017. The requested legal reviews for each of these three investigations should be on file with either the 321 TRS, or the 737 TRG located at JBASA-Lackland. Additionally based on the discovery of new evidence, my timeline to take additional action is finite. It is in the interest of justice for my request to be expedited. 2021-03518-F	(b)(6)	USAF	6/30/2021	Dear Sir/ Madam, my name is (b)(6) and I am the wife of (b)(6) from Kadena AFB. I am unfortunately going through a painful divorce process, with my husband recently accepting the Article 15 charges of DV etc. and subsequent appeal denied. Despite this, and the FAP headed Central Registry Board (CRB) offering management therapy to my husband, he has informed both our US and Japan legal teams that he is innocent of any allegation, and that I am the one who was in fact found guilty by the military and the CRB of alleged abuse of him and our children. My lawyers from the US and Japan have urged me to ask for copies of his Article 15 charges and subsequent denial of his Article 15 appeal to help our civilian court case. Right now, my husband has failed to properly provide for our family for many months now, and I am reduced to borrowing money for our children and I to live. The documents under FOIA will tremendously help us in our fight for what is rightful provision, and for our innocent children to have a better future. I am humbly requesting for your thoughtful consideration in this matter. Appreciative, (b)(6) (Date Range for Record Search: From 10/1/2020 To 6/30/2021)
